Parish Clerk:

Declarations of Interest

Item 2

Members are invited to declare personal or pecuniary (prejudicial) interests in any items on the agenda. It is a requirement of the Parish Council (Code of Conduct) that declarations from a Member include the nature of the interest and whether it is pecuniary or an interest other than pecuniary.

In the case of a pecuniary interest being declared and no dispensation being sought or approved, the Member must disclose the interest and withdraw from the meeting when the item is discussed.

If any Member has a public comment and/or reached a predetermined view prior to attending a meeting it could invalidate the Council's decision, therefore the Member concerned cannot take part in any discussion and an interest must be recorded.

Minutes of a Parish Council Meeting of Poringland Parish Council
Wednesday 11th October 2023 at 7pm
Meeting held at Poringland Community Centre

Attendance: Ken Aldridge (Chair), Sean Curtis, Fiona Harper, John Henson, David Hewer, John Joyce, Lisa Overton-Neal (also attending as an SNDC Councillor), and Carl Pitelen.

Also in attendance: Lisa Callow (Assistant Clerk – Minute-Taker), NCC Vic Thomson (advised he would arrive late), SNC Nicola Fowler, and 1 member of the public.

1. To Receive and Approve Apologies for Absence

Tim Boucher gave apologies due to work commitments, John Overton gave apologies due to a prior engagement. These were **ACCEPTED**. Proposed David Hewer, seconded Sean Curtis.

(19.01 – John Henson left the meeting)

(19.02 – John Henson returned to the meeting)

2. To Receive Declarations of Interest

None.

3. To Agree Minutes of the Meeting on 13th September 2023

The Minutes of the last meeting were **AGREED** and signed. Proposed David Hewer, seconded John Henson.

4. Matters Arising, including Clerk's Report

- **Sam2:** The Sam2 Camera has now been located on Norwich Road near the One Stop. The software for the Sam2 needs updating as the office have been unable to access all the data required. Unfortunately, due to administration changes we are unable to gain access to the account to do this as email addresses and passwords have been lost. We will attempt to contact Westcotec about this. The clerk has mentioned to Vic Thomson about the possibility of a new SAM2 due to the age of the current machine. Newer machines are Bluetooth enabled which will be easier to access the data on site and to update council and the website of driving behaviours in the parish.
- **Defibrillator/Insurance:** The clerk has received a response from the driver's insurance company regarding the damage to the defibrillator at The Railway Tavern. The response stated that they will not re-reimburse for the loss. The clerk will now contact the council insurance for further advice.
- **Tree Cutting:** T Bird has continued to carry out tree works within the parish as per the tree survey and additional works that were highlighted.
- **Community Centre:** The community centre will be shut on the 23rd October for 5 days so that work can be carried out on the windows/roof area. All users effected have been contacted. The café will remain open.
- **Bus Stops:** The clerk has been advised by the clerk of Framingham Earl that a number of upgrades will take place on Bus Stops to ensure accessible boarding. (This will include raised kerbs, tactile paving and pole and flag to mark the bus stops in Poringland.) The locations are Poringland, All Saints, Poringland, Hall Road opposite Burgate Lane, Poringland, Rectory Lane – cemetery x2, Poringland, Rectory Lane – Uppgate, Poringland, St. Annes, Poringland, St. Marys.
- **Adverts on Roundabouts:** Two people have made complaints about the business adverts on both Budgens and 5 Ways Roundabout. It has been filed with highways to investigate.
- **Community Land Planning Application:** Still awaiting a decision regarding the application. Jerene Irwin is due to call the clerk this week to talk through some ecology issues. The clerk to update following the conversation.

5. Adjournment for Public Participation, County and District Council Reports, and Councillors with any Pecuniary Interests

- a) District Councillor Lisa Overton-Neal gave her report which included a reminder that she still has some money available as part of her Member Ward Grant, this can only be spent on community projects that are a benefit to the whole community. (Appendix A)

District Councillor Nicola Fowler gave an update confirming that she has now attended her first committee meetings including audit, finance and resources, and a strategic planning meeting looking at

the next four years. She is continuing to undertake training as part of her role as a new District Councillor. She also reminded the Council that she too has money available as part of her Member Ward Grant.

- b) County Council Report – due to delayed arrival report given following point 6 – To Consider Applications for Co-Option. (Appendix B)
- c) Public Participation – a member of the public raised a concern over an overgrown hedge obstructing any vehicles’ line of vision when turning onto The Street from Elizabeth Road. It was suggested the Parish Council send a letter to the occupants of the property requesting the hedge be cut back as appropriate.
- d) Police – None

6. To Consider the Applications Received for Co-option of the Two Vacancies onto the Parish Council

Fiona Harper presented to Council her reasons for wishing to join Poringland Parish Council, following which a ballot was taken and she was co-opted onto the Council by a majority vote. Fiona Harper signed the Declaration of Acceptance of Office, witnessed by the Assistant Clerk.

7. Planning

a) To Consider Applications Received

- i. 2023/2619: Proposal: Re-render dwelling and replace a selection of windowsills
Location: 5 Rectory Lane Poringland Norfolk NR14 7ST – **NO OBJECTION**
- ii. 2023/2739: Proposal: Re-rendering to the front of the property
Location: 19 Howe Lane Poringland Norfolk NR14 7LQ – **OBJECTION**
The Council object to the planning application on the basis that the proposed rendering of the property would have a detrimental visual effect on neighbouring properties, leaving an unbalanced visual aspect to the street scene. Proposed John Henson, seconded Lisa Overton-Neal. **AGREED**

b) To Note Planning Decisions

None

- c) The enforcements currently in progress in Poringland were **NOTED**.

8. Finance

- a) Receipts, Payments, and Bank Reconciliations up to 30th September 2023 were **NOTED**
- b) Accounts for Payment
 - i. The accounts for payment were **AGREED**. Proposed Lisa Neal, seconded David Hewer.
 - ii. The additional payment list was **AGREED**. Proposed David Hewer, seconded Sean Curtis.
 - iii. John Henson **AGREED** to approve BACS payments via banking online.
- c) The final audited accounts from PKF Littlejohn for 2022/2023 were **APPROVED**. The Assistant Clerk addressed the external auditor’s note ‘The smaller authority has not provided two year end statements to support the bank reconciliation to Section 2, Box 8. These were requested as part of our intermediate review procedures’. The two accounts in question only receive statements on the anniversary date in which they were first taken out, which is not 31st March. It was explained to the external auditors that the requested statements were not available, and all means were taken to provide additional documentation to support their request. Lisa Overton-Neal thanked the Assistant Clerk on behalf of the Council for the work she undertook to get this completed. Proposed John Henson, seconded David Hewer.
- d) The first 2023/24 internal audit visit will take place on 25th January 2024. **NOTED**

(20.33 – Fiona Harper returned to the meeting)

12. To Approve EV Charging Points being Installed at the Community Centre by Norfolk County Council.

It was agreed for Norfolk County Council to install electric vehicle charging points at the Community Centre. Proposed John Joyce, seconded David Hewer – all in favour, except Carl Pitelen who abstained from voting.

13. Update on Plans for Five Ways Roundabout.

Ken Aldridge and David Hewer gave an update on the plans for the five ways roundabout. The next step is to arrange a meeting with the Highways department at Norfolk County Council to discuss the viability of the proposed statue. Vic Thompson confirmed that he would arrange a date for the meeting once they were ready to go ahead.

14. To Receive Updates and Consider Recommendations from Advisory Groups.

a) Events Advisory Group – the Assistant Clerk gave an update from the latest events advisory group regarding the upcoming fireworks event. All the suppliers are now booked, and the vendors/stall holders have paid with the exception of one still due to pay. One further meeting will take place before the event, and volunteers meeting will also be arranged shortly.

b) Community Centre Advisory Group – John Joyce provided an update from the latest community centre advisory group. It was agreed that the Community Centre will move from providing paper towels in the public toilets to hand dryers only. Proposed Carl Pitelen, seconded Sean Curtis – all in favour.

15. To Receive Proposal to Close the Meeting for Item 16 Under Section 1 Paragraph 2 of the Public Bodies (Admission to Meetings) Act 1960 as it refers to Service of Employment

Proposed John Henson, seconded Sean Curtis. **AGREED**

16. Staffing Update

Lisa Neal provided an update from the latest HR Advisory Group. It was agreed to pay the Bookings and Events Officer overtime for the hours accrued organising the summer fair, she has been unable to find time to take the hours back. The Bookings and Events Officer’s contracted hours will be reviewed at a later date by the HR Advisory Group, and it was requested that she keeps a detailed timesheet going forward. Additional hours worked for the fireworks and Christmas event will be reviewed after the events.

17. Date and Time of Next Parish Council Meeting

The next Parish Council Meeting will take place on Wednesday 8th November 2023 at 7pm at Poringland Community Centre unless otherwise advised.

Meeting closed at 20.54.

Appendix B

County Councillor Report – October 2023

Norfolk County Council is closely monitoring the local and national position in relation to RAAC in schools.

As of 6 September, one Norfolk school was closed to pupils due to concerns over the presence of RAAC. The school, Thomas Bullock Academy, delayed the start of term so that checks could take place in the school hall. The council first became aware of possible issues with RAAC in 2018 and worked with all its maintained schools to assess if the material was present and if any action was needed. Further checks have been carried out following the [government's updated guidance](#). All of Norfolk's maintained schools remain open to pupils.

The Department for Education is also carrying out its own checks to ensure it is satisfied that no further works are needed. The guidance is changing regularly, so the council will continue to monitor the situation closely. Most Norfolk schools are academies, which are independent of the council and are responsible for their own buildings. However, the council wants to ensure the safety of all of Norfolk's children and has reminded academies to complete the DfE survey on RAAC. It has also offered practical help, where academies might need it.

The situation is changing regularly and, should any further closures be required, they will be published on the [school closures section of the website](#). Schools and academies will be in touch with parents if any issues are identified in their child's school.

Steps residents can take to improve drainage and reduce flooding risk

With bird nesting season over, people across Norfolk have a chance to do their bit to stop flooding and keep water flowing across their properties. Small, simple steps that ensure water can drain away from your home can cut down the likelihood of flooding, starting with tasks as simple as keeping drains, ditches, and watercourses clear and able to flow freely. After a year's growth, many ditches and watercourses will benefit from clearing branches, and cutting back new undergrowth. Now bird nesting season is over, early autumn is the prime time for property owners to put in a little work to keep their properties safe.

A build-up of flood water with nowhere to drain can quickly turn a minor incident into a disaster for the home. By starting off small, and checking drains for any blockages such as mud, leaves and stones, residents can take the first step towards mitigating the impact of flooding. Outside the home, if residents spot any blocked or broken drains on Norfolk's highways, they can report it via www.norfolk.gov.uk/flooding, allowing Norfolk's Highways Team to clear them and keep our roads open.

Blocked drains and Grips

Have you seen a blocked road drain on your travels around Norfolk? Keep an eye out when you're walking or cycling to school or work and let us know if you spot any blocked or broken road drains. If a road drain is broken or full of mud and weeds, water can't run through freely. Get online and report it to us here https://orlo.uk/floods_SEOPB

Norfolk County Council Net Zero

Encouraging more people to use the bus travel and other sustainable options is key to our ambitious aims of achieving net-zero in Norfolk by 2030. Norfolk County Council has committed to achieve 'net zero' carbon emissions on its estates by 2030, but within its wider area, to work with partners towards 'carbon neutrality'. This also supports the government's ambition for a net zero country by 2050.

We will achieve this by implementing carbon conscious ways of working across our buildings and supply chain; putting in place the right infrastructure across the county to support the move towards net-zero; and by working

together with partners to lead and inspire our colleagues, citizens, communities, and businesses to take action and play their part in protecting Norfolk for future generations.

Charcoal Line moves to seven day service in latest bus service improvement

Bus Services between Bungay and Norwich are moving to seven days a week thanks to money that Norfolk County Council secured from the Department for Transport (DfT) to improve bus services across the County.

The changes, which come into effect on Sunday 3 September, will see the Charcoal Line – the service that includes the 40, 40A, 41, 41A and X41 bus services – running an hourly service every Sunday, starting at 08:10 and running through to 17:10. This is the first time the Charcoal Line will run on Sundays, giving users a service into the city centre.

For many people Sunday is as busy as any other day of the week. Whether it's getting to work, doing some shopping or just heading out for a meal with friends and family, the enhancements to the Charcoal Line will give people an easy, affordable option to get into the city and will let more people make the choice to leave the car at home."

The new service will run from Hillside Road West in Bungay through to St Stephens in Norwich, with stops in Bungay, Ditchingham, Hedenham, Woodton, Kirstead, Brooke, Poringland, Stoke Holy Cross, Framingham Earl and Trowse on the route. The change follows on from enhancements to the Charcoal Line introduced earlier this summer, including the move to half-hourly bus services running on Monday to Saturday between Bungay and Norwich since 24 July. This is one of a number of service enhancements which are being funded by the £49.55 million funding which Norfolk County Council was successful in securing from the Department for Transport (DfT) to use on improving bus services across the County over the next three years. Approximately £12 million of the funding has been allocated to provide new or expanded bus routes and increase service frequencies on key routes, including more evening and weekend services. The new timetables for the Charcoal Line can be found on the [Firstbus website](#).

Norfolk Bus Service Improvement Plan

Norfolk received the sixth highest allocation in the country and the funding consists of £30.9m of capital funding and £18.6m of revenue funding. The plans outline 17 new measures across the county which give buses priority on the roads. These include new bus lanes in Norwich, King's Lynn and Great Yarmouth and redesigned junctions across the county.

New or improved travel hubs are proposed for Sheringham, Cromer, Diss and Hunstanton which will provide better waiting areas with real-time information to help to give passengers a better experience as well as being integrated with walking and cycling facilities. There will also be a county-wide review of bus stops with upgrades to improve access for people with disabilities, to provide more real-time information and a programme of works to reduce delays to buses.

Improved services already announced:

Clerk's Update on Matters Arising

The following are matters/updates that have arisen since the last meeting or have been raised at previous meetings, and updates are noted below for information. This document does not include matters within the agenda.

- **Community Centre Roof Works:** Works to the community centre roof windows commenced on the 23rd October. The contractors uncovered a number of extra issues that were not visible when the initial quotations were sourced. Due to the nature and urgent need to get the works complete and the windows water tight these works were carried out at the same time. Works have now been completed. The clerk has spoken with the contractor about the flat roof. The brand of membrane is no longer available, however there are products that can be used to fix the poor fitting of the roof originally and then to work at repairing the roof in stages. A tender package will be put together to obtain quotes for this.
- **Community Centre Hand Dryers:** Work has been completed in the ladies toilets installing a second hand-dryer. Paper towels have now been removed from all the toilets except for the children's toilet.
- **Bin Bid, Hemsby:** Due to vandalism two new bins have been required for Mulberry Green and The Playing Field. The clerk had been made aware of Hemsby Parish Council selling a number of cast iron bins and enquired to the availability. The condition of the bins is good, they can be painted to fit in with its location. The cost for 6 bins is less than the replacement of 1 new bin. C Pitelen and the Clerk are arranging to collect the bins from Hemsby. The remaining bins will be stored at the community centre and can be used in other locations in the parish e.g. community land.
- **Bus Stop Mill Road:** The Bus Shelter on Mill Road has been removed by the developer under the authority of NCC Highways department. Highways have confirmed that a new Bus Shelter will be sited next to the Private Health Clinic.
- **Finance Email Address:** The office will be introducing a new finance email address. The aim is to free up the clerk's inbox and to ensure that should the clerk be on annual leave or sick all finance related emails can be accessed.
- **Blocked Ditches & Drains:** The clerk has received a number of messages/telephone calls about blocked ditches and drains around the parish especially at the moment due to the very wet weather. The clerk is working with County Councillor Vic Thomson to resolve these issues. It is noted that should councillors have any reports or concerns raised to highlight to the clerk.
- **Meeting with Big Sky - Mentmore Way Park:** The clerk and caretaker will be meeting with Spencer Burrell on 9th November about the transfer of the park following no issues with the transfer title at the last meeting. The purpose is to jointly check over all the equipment and remedy any issues prior to transfer being signed.
- **Community Land Planning Application:** A representative for the land owners adjacent to the community land have contacted planning at SNC regarding some issues they have with the application. A community land advisory group meeting will be called to discuss this further.
- **Postal Service in Poringland:** Following a severely slow service a number of residents have approached the parish council with their concerns. District/Parish Council John Overton has contacted the Operations Director for Royal Mail Eastern who have advised that support will be brought in from Norwich and new recruits will be working in the area in approximately three weeks.
- **New Beat Manager for Poringland:** PC Andy Sneddon has been relocated to cover the Costessey area. Poringland now welcome PC Tom Goodrum who has moved over from response.
- **Trees for Community Land:** Tree Warden H Gowman has sourced some more hedging trees for the community land. The trees are to cover a 275-metre stretch. Trees will arrive at the end of November with a view to plant at the end of December. Clerk and C Pitelen to liaise with H Gowman.
