Parish Council Report

Councillor Vacancy

A vacancy has arisen on Poringland Parish Council due to the resignation of James Landshoft. We would like to thank James for his time and efforts during his time on the Parish Council and we give our best wishes to him and his family for the future.

Notification was given for registered electors of the parish to request a by-election, however there was insufficient demand and so a by-election will not be held. Therefore, the Parish Council is free to co-opt another member onto the council. Being a member of the Parish Council is a great way to get involved in your community. It carries a lot of responsibility, being responsible for public money, but it is very rewarding when you see projects that benefit the place where we live come to fruition. Expressions of interest in the vacant position, or any enquiries about the role, should be made to the Parish Clerk by 18th September.

Anti-Social Behaviour

The Parish Council is receiving increased reports about anti-social behaviour. We have been working closely with our new Beat Manager P.C. Sherry Locke to help resolve these matters. Please ensure you call the police on 101 to report this type of behaviour as soon as you are aware of its occurrence. Even if the police are unable to attend immediately, the incident will be logged and can be used as evidence of patterns of behaviour around the village.

Increased Recycling Facilities

The Parish Council is currently reviewing ways in which it can assist in the recycling of items that currently cannot be recycled in the green wheelie bins. Items such as crisp packets can be sent to specialist recycling centres, so the Parish Council is reviewing ways in which the community centre can become a hub for people to drop off items such as these. Further information will be given when we have made these facilities available.

Neighbourhood Plan

The Neighbourhood Plan is in a period of consultation which has been arranged by South Norfolk Council. The consultation will run until 13th September and can be viewed on South Norfolk Council's website under Planning Policy and the Poringland Neighbourhood Plan page. Cabinet members from South Norfolk Council will be considering the plan in its current form on 9th September. After this consultation the plan will be subjected to examination by an independent planning inspector and it is hoped that the plan can be put to a local referendum shortly after this.

Playing Field Play Equipment

The insurance claim for the damaged play equipment has taken longer to progress than was anticipated. However, the claim has now been accepted and a settlement made. We look forward to having the new equipment in place soon.
