Mulberry Green Play Area – Public Consultation

We are inviting residents to compare and rate the two proposed play area designs. Having viewed both proposals, please rate each design against the following criteria.

---

1. Range and variety of play

Does the design provide a good range of different activities for children?

Consider climbing, sliding, swinging, spinning, balancing, jumping, imaginative play and active physical play.

	1 – Very Poor	2 - Poor	3 - Good	4 Very Good	5 Excellent

WICKSTEED	☐	☐	☐	☐	☐

---

2. Play value and challenge

Does the equipment provide interesting and enjoyable play that children are likely to return to repeatedly?

Consider whether the equipment offers different levels of challenge and opportunities to develop physical skills, confidence and creativity.

4. Inclusive play

Does the design provide good opportunities for children with different physical, sensory, communication or other needs to play?

Consider whether children with different abilities can participate **alongside other children**, rather than being provided with separate facilities.

	1 – Very Poor	2 - Poor	3 - Good	4 Very Good	5 Excellent
PROLUDIC	☐	☐	☐	☐	☐
WICKSTEED	☐	☐	☐	☐	☐

5. Layout and appearance

How attractive and well-designed do you think the overall play area is?

Consider the arrangement of equipment, appearance, use of the available space and how well it fits into Mulberry Green.
